

PARENT PARTICIPATION

Parent Participation hours are required of all families enrolled in the Infant, Toddler and Preschool program. Each family is responsible for either 15 hours per year per full time schedule and 8 hours per year for part time schedules.

All completed hours should be recorded on your family page in the *Parent Hours* notebook located in the office.

To match our needs with your skills and interests, please return this completed form to the office. If you have more than one child in the program, please fill out only one form for your family, listing all currently enrolled children.
